

CHANGES TO LTA'S VEHICLE-RELATED DIGITAL SERVICES FROM 30 JUNE 2025

LTA will be enhancing the access security for vehicle-related digital services on LTA's OneMotoring website.

From 30 June 2025, an access code will replace the use of the last 4 characters of the vehicle owner's identification number for the following 3 digital services:

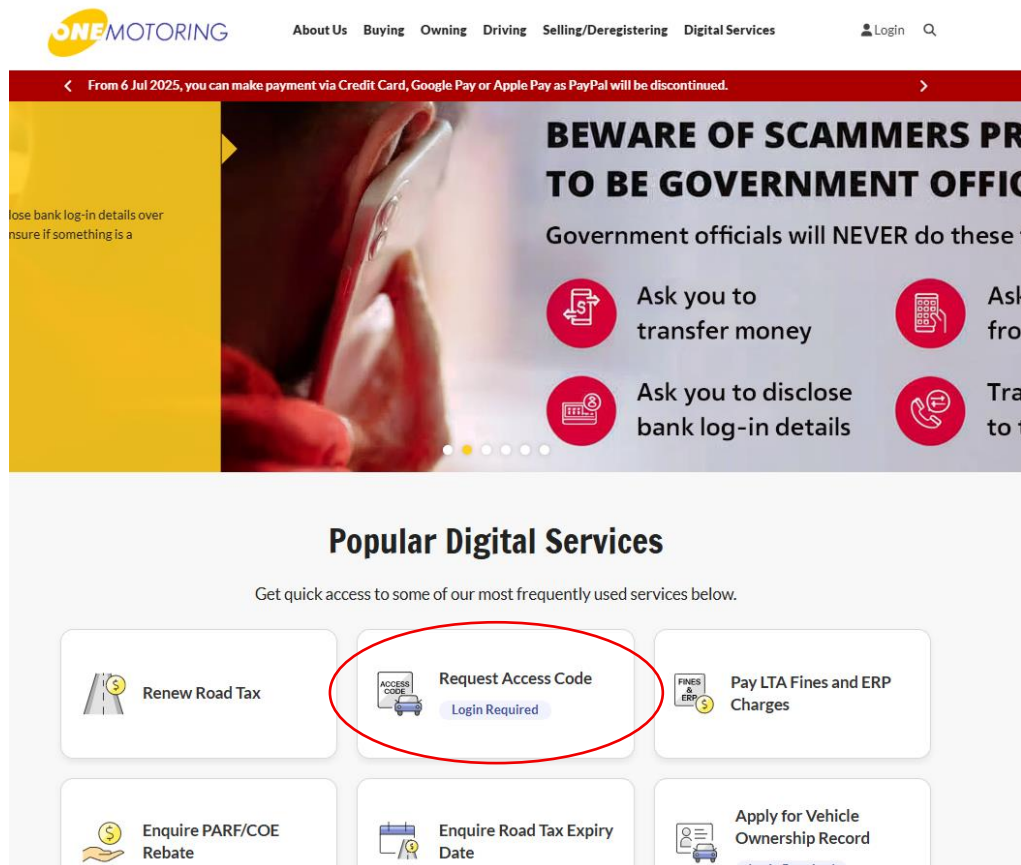

1. Enquire PARF/COE Rebate for Registered Vehicle;
2. Enquire PQP Payable for Category C Early Turnover Scheme; and
3. Enquire Vehicle Transfer Fee

Vehicle owners can log in to LTA's OneMotoring website (> Popular Digital Services > Request Access Code) using Singpass to authorise the sending of the access codes to nominated third parties such as their motor dealers to retrieve the information on their behalf.

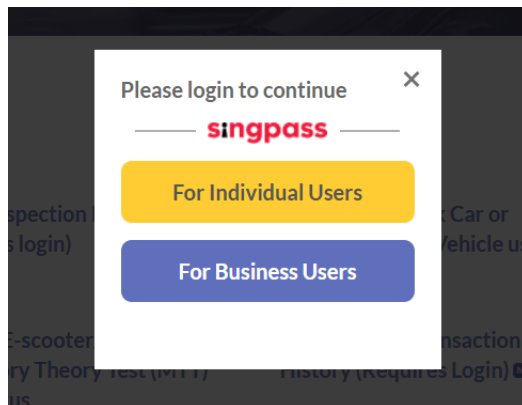

Each access code is valid for multiple times for up to 14 calendar days, or until it is revoked by the vehicle owner, whichever is earlier.
